

PUBLISHER'S MESSAGE

Who's Who in Luxury Real Estate is a compendium of the finest residential real estate firms from around the world.

LuxuryRealEstate.com offers access to the most multi-million dollar properties.

As I meet brokers around the world, I continue to be profoundly impressed by the quality and integrity of the people in our network. Each year we set high goals and work diligently to improve in every way. I am confident that doing business with

John Brian Losh is our Chairman/Publisher, and also a member of our organization. [Visit his broker profile.](#)

any one of our members would be a delightful and rewarding experience. Each year I travel the world; the villages of New England, the resorts and cities of the East Coast, the great state of Texas and the Gulf, the deserts of the Southwest, the grandeur of the Rockies and America's heartland, and to Europe, Asia and beyond. As a result of this effort, we have the most internationally diverse network available to real estate professionals. To be eligible for membership, firms and brokers must list and sell in the top 10 percent of their market and demonstrate expertise in the marketing and sale of luxury properties. With the guidance of the Board of Regents ([Regents.com](#)), the governing body of Luxury Real Estate, our network represents the best in the business.
